Dear Stakeholders,

What makes our business so intriguing and satisfying is living up to the constantly evolving expectations of our members and their guests. Rather than a snapshot, customers are like a moving picture. It is said that customers are always “divinely discontent” and it is up to us on how well to exceed their expectations.

During past few years your company has made substantial progress in completely re-inventing the customer experience within ourselves. For the last 2 years Company's growth was stagnated due to Covid Pandemic. Our data show that a fair share of customer footfalls is initiated through our member engagements on social and digital platforms. These have helped us to increase acceptance across the society. As we continue to strength these features we are also rolling out strategy that aims to create a drastic change over every facet of our network. This will allow us to serve customers anytime up to their satisfaction. More importantly it will allow us to do our hospitality business through a homely lodging and fine dine experience.

During the forthcoming year we will roll out mobile and web based platforms that allow our guests to reach us via apps, messages etc. Being an integral [part of the Company our Directors and stakeholders may hip the Management bringing in more guests to foster our endeavours.

Over the years your Company has built strong loyalty and membership platforms like Permit Room and well equipped restaurant. The Club has affiliated with 107 Club in India which includes the prestigious Club throughout our nation. Here the Company express our deep gratitude to the Bekal Club Executive Committee who worked behind for the tremendous achievement.

I expect every one of you being the valued partners in this ecosystem, to put in sincere efforts in prospering our enterprise reinforcing our belief and conviction in the areas of operations in the most acknowledged and appreciated manner.

Our riverside course is more than a kilometer long and will serve as feast to your eyes.

Growth is not optional; it's the imperative for all companies. We can achieve this by focusing on our users very well by knowing what they want. We will usually succeed and that will drive growth.

Hence, I request all of you to avail oneself along with your family, friends and guests all across the world, of the wonderful provisions set out here in our premises, such as the tantalizing dining experience at our Restaurant, format but warm, flattering noble, profuse and exuberant lodging as well as the most economic and best auditoriums for your family gatherings.

Yours

Sd/-
